ABOUT YCET

The Jamwal Group of Educational Institutions (JGEI) aims at the promotion and advancement of technical and professional education of highest standard. JGEI was founded in 1993 by Er. Vidhi S. Singh, Chairman-cum-Managing Trustee. Due to the overwhelming public support and cooperation of society, the group has grown over the years and at present is managing many Institutions. Yogananda College of Engineering and Technology (YCET) is one of the pioneer engineering Institution under JGEI and is approved/recognized by AICTE/J&K State Govt. and is affiliated to the University of Jammu.

OBJECTIVE OF THE PROGRAMME

The aim of the programme is to develop different aspect of career components and to enhance the competencies of the youth in the job. Career Conclave shows different road maps to the students before the job and during the job, so that the budding entrepreneurs can start their own ventures successfully. The event is related to overall career development of the students before and after taking degree. This event is to foster the spirit of young entrepreneurs in J&K state. The young dynamic youth of this state will empower our state to move beyond the limits. Entrepreneur links the resources and the manpower through effective means. Entrepreneur is responsible for all aspects of business. Entrepreneurship is a key driver of our economy. Wealth and a high majority of jobs are created by small businesses started by entrepreneurially minded individuals, many of whom go on to create big businesses. Entrepreneurship education is a lifelong learning process, starting as early as elementary school and progressing through all levels of education, including adult education.
